Market Access welcome

MEFF

febrero 2025

Dear Market Participants,

At BME Exchange, we are implementing a series of organizational changes aimed at optimizing the quality of service we provide and strengthening our relationship with market participants.

We are pleased to inform you that the Market Access department will assume the management of services for BME markets, including Equity, Fixed Income (AIAF, SEND), and Derivatives. Through this new unit, all technical requests from market participants will be handled.

In this regard, any inquiries related to market protocols, messaging capacity modifications, or testing in our test environments will be directly managed by the Market Access department.

To contact the department, you may reach out via email at marketaccess@grupobme.es or by phone at +34 91 709 57 20.

Additionally, we inform you that all emails previously sent to the External Applications address (aeee@grupobme.es), which was exclusively for the Equity market, will be automatically redirected to the new contact address mentioned above. Tech Services address (tech.services@grupobme.es), designated for the Fixed Income and MEFF markets, will remain active. However, all matters related to market connectivity management, as well as other technical requests, will now be handled through the new contact address.

We appreciate your attention and cooperation.
